***Gentle Reminder ~ please consider a donation at tea after the service as this now helps with the provision of sandwiches etc.***

If you are looking for ways to donate to charity without it costing you anything then could you:

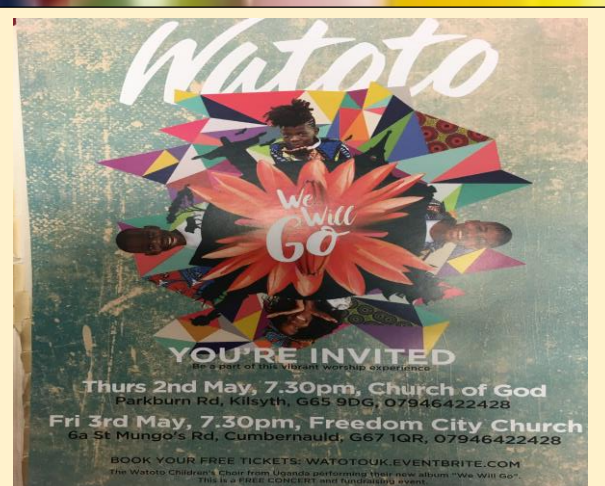

- Pass any old glasses or mobile phones to Margaret Muir
- Cut out any used stamps from your letters and place them in the box on the reception desk outside Alan's Office.

- *Thank you*

**Sunday, 19<sup>th</sup> May, 6.30pm**

Join us for our Hope & Hospitality tour! This is a special Sunday evening service at Cornerstone Christian Fellowship with Amie Aitken. Amie unpacks the story of Moses' adoption alongside sharing her own experience of being a young person in the care system and the biblical mandate to care for the vulnerable.

There will also be an opportunity to hear about the work of Home for Good from our Scotland Lead, Eilidh Proudfoot and to consider how the church across our nation can play our part to respond to the needs of vulnerable children.

**Sometimes we are called to plant trees, under whose shade we do not expect to sit.**

### **Tool Library Cumbernauld – Teri Smith**

As you may be aware, I am setting up a tool library in Cumbernauld. So I thought I'd share a bit about it. The idea is to have a range of tools and equipment available for people to borrow – DIY and gardening tools, kitchen equipment, crafting, camping and sports equipment. I will be looking for donations of items to stock in the library and for volunteers to help me set up and run it. I have applied for charity status (as a SCIO) and I've applied for start-it funding. Please pray for these applications to be successful. For more info and if you'd like to get involved, please come and talk to me, see my facebook page <https://www.facebook.com/ToolLibraryCumbernauld> or sign up to receive news by email on the website [www.toolibrarycumbernauld.org](http://www.toolibrarycumbernauld.org)
