

Cornerstone Christian Fellowship

February 2020

The Meal Ministry in Cornerstone recently celebrated its tenth year anniversary. This ministry was established in December 2009 and during that time has served 1275 meals to 47 different families.

Meals are given primarily to those within Cornerstone but have, on occasion, been given to those outside the fellowship. Meal support is offered to those who are bereaved, in frail health, or just out of hospital. Emergency situations are responded to with discretion as they arise.

Each member of the team serves willingly by buying the food, cooking and then delivering the meal. There are also some who deliver the meals if transport is required. Altogether there are 19 members of the team.

It is a good time to give thanks and recognise the willingness and faithfulness of this team who give their time and resources freely to serve others in need of support.

For more information about the Meal Ministry or if you would like to become involved, please speak to Annemarie Hanson who coordinates this ministry.

While shopping in Morrisons, I found myself at the Cafe section. There was a whole host of delicious cream cakes, many of which had reduced labels. And thus an affordable treat with a cup of tea. Suddenly I viewed from the corner of my eye a woman both angry and annoyed at my presence and eager to get to the bargains in front of me. I was both annoyed at her rudeness and angry with her as she tried to push in front of me.

Then I thought about it. Is a cake that important to me? What is going on in that person's life? What would Jesus do? I politely let her in and said "Would you like to get to the cakes? She promptly did just that. As I walked off and proceeded down one of the aisles, she did the same thing again. I gestured to her to go first and carried on shopping.

Later, as I was paying for my goods, she came up to me and said, "I was a *****, and you were a perfect gentleman. Sorry."

We all have difficult days. How often do we allow the negativity to spill over into other people's lives? If bad thoughts and actions have a ripple effect, how much more does obedience to Christ and living the Word of God? Matthew 5 : 13 - 16, 38 - 45
