Thank you for responding to my email regarding House Groups.

I'm still processing the information, but at the moment it looks like we will have:

1 daytime group.

1 zoom meeting.

2 or 3 groups meeting in a home (evenings)

I will keep you updated.

Once again thank you.

Welcome back to our monthly newsletter, and thanks to Sharon for taking on the role of compiling it again.

One of the areas that was highlighted through the Focus groups recently was the need for more ways to communicate, so the Newsletter is just the beginning; we are looking at improving/updating our use of social media.

We now have a few members who will be looking to develop skills through courses with Cumbernauld College.

If you have any suggestions or articles for future newsletters, please pass them directly to Sharon: [shaca01@yahoo.com](mailto:shaca01@yahoo.com)

It has been encouraging to see the enthusiasm of our youth since Graeme and Claire started overseeing this ministry. Please continue to pray for all the children and their teachers/leaders in these very important ministries.

Now that we are moving away from the restrictions and the effects that Covid has had on people, this is indeed an opportunity for moving on and upbuilding ourselves spiritually, both personally and corporately. God's plan is always to build and restore His church:

**Jeremiah 24:6-7.**

My eyes will watch over them for their good, and **I will** bring them back to this land.

**I will** build them up and not tear them down; **I will** plant them and not uproot them.

**I will** give them a heart to know me, that I am the Lord.

They will be my people, and **I will** be their God, for they will return to me with all their heart.

When you realise how much God will do for us, ours is such a small part to play - be encouraged that God is on our side.

~~ *Alan*
