Christian Persecution in China: “Living for Jesus in the face of growing Authoritarianism”

- With Release International partner Bob Fu, President.

Tuesday 04 October | 7.30pm | Hamilton Baptist Church, ML3 6QL

This October we are delighted to host Release International partner and ChinaAid President, Bob Fu for a series of live events across the UK.

Join us to hear how your support is helping our brothers and sisters in China to persevere.

Bob Fu was born and raised in mainland China and today he is one of the leading voices supporting persecuted Christians in China. He regularly briefs the US State Department and Members of Congress on the status of religious freedom in China, and in 2020 he was honoured with the Wilberforce Award from the Colson Centre, an award which recognises Christian leaders who encourage all Christians to make a difference in the face of tough societal problems and injustices.

Bob will be sharing about the growing restrictions facing our brothers and sisters in China. The situation has escalated recently with new laws introduced in March 2022 which effectively ban the sharing of all online religious content that does not have the explicit approval of the Chinese Communist Party
