Word for Thought

*My child, don't lose sight of good planning and insight. Hang on to them, for they fill you with life and bring you honour and respect. They keep you safe on your way and keep your feet from stumbling. You can lie down without fear and enjoy pleasant dreams. You need not be afraid of disaster or the destruction that comes upon the wicked, for the LORD is your security. He will keep your foot from being caught in a trap. **Proverbs 3:21-26***

As we approach the time of year for celebrating the Child Jesus, God speaks here to us as His child. We live in a time of 'disasters and destruction,' yet if we keep our focus on God's plan for us, He will keep us secure and keep us from walking into traps that others set for us.

~ Tom

The memory verse(s) that Mark challenged us with from Matthew ch5 will be read out on Sunday 11th Dec. There are still a number of verses available - if you would like to choose one, please speak to Mark.
