Word for Thought

Rebuke Worldliness.

James 4:1-12. James is addressing the 'dispersed Jews' about their behaviour. Initial reading of the scripture may make James seem harsh; but there is hope, as we are given some options:

- † God opposes the proud but gives Grace to the humble. V6
- † Resist the Devil and he will flee from you. V7
- † Draw near to God and He will draw near to you. V8
- † Humble yourselves in His presence and He will exalt you. V10

This section finishes with an instruction, 'Do not speak against one another'. We are to be a doer of the law and help others; not Judge the law and others. So let's be humble, gracious and draw near to God and His presence.
