### Sunday lunch

On Sunday 4th June we will be taking the opportunity to enjoy an extended time of fellowship after our service. Please bring a packed lunch with you. Tea, coffee and cake will be available on the day.

We will be closing our service by breaking bread together as we share in Communion, leading us into enjoying a relaxed time of fellowship.

### Pastoral Care

As a fellowship, there will be occasions when we would appreciate support. We could be facing a difficult time in our lives. Perhaps you would want prayer support on a confidential level rather than placing a request on email or our prayer app.

In order to give this support Julien and Vivianne, Robbie and Meg, Grace and Alan are available as a team, as couples or individuals. We understand that people have associations with others that they may be more comfortable with, that's fine, but please do not hesitate to approach any of us should you find the need. Also, as part of our care, Margaret and Vivianne lead a team who arrange to write, email, text or visit members of the fellowship. Sometimes this will simply be to keep in contact, on other occasions it could be hospital visits or at home, depending on the circumstances.

If you are aware of a need that you believe we should be aware of, please feel free to speak to any one of us.

**Galatians 6: 10** Whenever we have the opportunity, we have to do what is good for everyone, especially for the family of believers.

### A prayer for tough times

Lord, let me stay motivated and calm; let me know how far I have come rather than how far I still have to go.

Let me continue counting my blessings and not what I have been missing.

May every day bring new chances to grow, new beautiful things to see, new plans to do and new goals to pursue.

Every new day is God's miracle day.
