We will be hosting a Christmas Concert on Friday, 15<sup>th</sup> December. Ahmed Conti and his choir and Ashish have both confirmed the date. There may be an additional singer, still to be confirmed.

The Fellowship is looking to encourage any musical talent within the church. This is open to adults, youth and children who have a serious interest in either a particular instrument or singing lessons. We would be looking to support them with lessons from a local organisation. Please contact Alan if you want more information.

Ashish has agreed to be our guest for worship on Sunday, 5<sup>th</sup> November. This very talented singer/musician has already been along to the fellowship so we know the quality of his worship of God. We can all look forward to joining with him.

## Origin Scotland Christmas Special
