### Good Friday Service

It was good to see so many join with us for our Good Friday Service. We joined with other churches and the fellowship afterwards was very encouraging. It was good to be together as one church and next year the Baptist church hopes to host the service.

Thanks to all for your support and to Liz for home baking.

### Prayer

Father, help me to live this day to the full, being true to You in every way.

Jesus, help me to give myself away to others, being kind to everyone I meet.

Spirit, help me to love the lost, proclaiming Christ in all I do and say.

Amen

Preparing For Prison – a new “31 Days of Prayer” guide

I was shocked to find out that the Scottish Government was going ahead with implementing their Hate Crime law in April. While some claim this is a good law, I see it as vague and open to abuse. However, something was set free in me once I knew I could be arrested for a Hate Crime and I decided to start preparing for prison in the only way I know how – write another book!

I'm making this new 31 Days of Prayer guide available for free on my new blog/SubStack: [Preparing for Prison - an introduction \(substack.com\)](https://substack.com), if you would like to join with me in exploring what God's word has to say about prison and our response to the threat of being locked up. I've been quite encouraged already reading about the apostles' experiences. I hope you will be too.
