The Fellowship Contact Team is a team that identifies those within the fellowship who may need additional support or encouragement through difficult and challenging times.

In addition to this we recognise that a number of the church family live by themselves and therefore may need some extra contact to let them know someone is thinking of them.

If you believe this is a ministry which you would like to be part of then speak to either Margaret Muir or Vivianne Crispin

Take time to think and look around you

Smell the flowers and see the sky  
Let your hopeful thoughts surround you

Never let your daydreams die  
Time to listen time for Caring  
Counting Blessings from above  
Time to Know the Joy of Sharing  
And that Precious Gift of Love

~~ Betty Hutchison

Recently we have seen an increase in the number of people looking for support through the foodbank. If you would like to contribute to the Foodbank, there are a few items that are presently running low. Your support in this would be greatly appreciated:

Tinned Soup  
Beans  
Pasta Sauce  
Rice/Custard  
Noodles  
Tea (small box)  
Coffee (small jars)

Thank you - Neil & Phyllis.

#### Crèche Update

For past weeks we have been learning about Joseph, his multicoloured coat and how God was with him. We have been learning some of Joseph's characteristics which we can also share:

- to be kind
- to help one another
- to love God
- not to tell tales
- don't be angry

The children have completed this mural showing all their hard work as well as making their own multicoloured coat. Please feel free to come into crèche room and see what the children have done and once we've completed our multicoloured coats we will show them off to you all.

From all the crèche kids, Marie, Elaine, Kirsty, Sarah and Lora

**Please note: there will be no crèche rota for the month of July – paper, crayons etc can be available if parents or grandparents want to use crèche room during the service.**
