Over the last few months, the Elders have been meeting to clarify where we are at, regarding our call to Eldership.

Recently you may be aware that Julien has decided to have a sabbatical from being an Elder, this will allow him time to focus on other ministries that he is presently involved with. After further discussion Tom has decided to step back from Eldership for a time, at present he has some health issues and some family commitments which require more of his time and focus.

There is no doubt about the commitment of both these men to the fellowship and I am extremely grateful for their input, thankfully the commitment continues to the fellowship, there is no change there.

May God bless them both, let's also commit them both in prayer at this time.

Alan
