LOVE FUND

An update on the Love Fund:

We are continuing with the Love Fund but changing the administration for it. Previously, Irene and Susan have taken care of this, very well I might add, and we are very grateful to them for all they have done and shown real care in doing so. Both of them agreed it was time for change, so the Finance Team will now be responsible for this (John, Lesleyanne, Teri and Alan). Any of them can be contacted if you know of a need that should be considered.

Thank you.

A tribute to Marion Walker:

The Robin

The robin came to see me
The day my true love died
As I gazed at the beautiful creature
My eyes filled up and I cried

It's ok the robin seemed to say
I'll come when you need me
Although I cannot stay
And yes that lovely bird
Has helped me on my way

He reminds me as he sings his song
That God has been there all along
Although we do not see His hand
It's clear to me He helps me stand

So I welcome my friend in his little red coat
For his presence always brings me hope
And I'll trust in the power of the universe
To help me when I'm at my worst
But for now I stand tall and strong
And join the robin in his song
